Send me the quote about Donna brazile when you can. Still at docs office Also what is the name of the dc police chief who took a job as head of security at a stadium

Kathy something

Her name was Cathy Lanier. I'm not at the computer right now but what I will do is just send you a short blurb via text as to what I was told by Joel and when I

Joel and when I learned pertaining to Donna Brazil is that OK?

Yes whatever I can say is great

So I spoke with the detective on last Friday and we agreed to meet today and I was going to have him talk with some of the House intelligence investigators pertaining to the Seth rich case and whether or not there

DNC. As a police investigator that automatically makes me think that Donna Brazil is in a category of persons of interest as it relates to the death of Seth Rich. I also spoke with another source today who informed me that not only was Donna Brazil snooping around wanting to know what was I learning with regards to the DNC and Seth Rich but also I was told that Debbie Wasserman Schultz was snooping around

was snooping around wanting to know how much it was I learning.

Ok this is great. Can I use as quotes too?

Yes.

Here is another quote you may want to consider using "I sincerely believe that there is an underground culture of corruption that exists within the confines of the nation's capital that includes quite

Thanks Rod, got it

Aaron rich just called and blast me out!

I just read the email you sent. Joel informed me that Donna brazille called him not the police

Rod

I just read the email you sent. Joel informed me that Donna brazille called him not the police department asking why I was snooping around. My question is how did she know that I had called the detective so quick. (Clarification)
